

November 2014

Dear Friends,

Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; Thy rod and thy staff they comfort me. Psalm 23.4

I wrote about 6 weeks ago explaining an exciting opportunity that God was opening up for me to go with a group from here in Monterrey on a trip to Israel where we are planning on recording sermons from different locations throughout the country.

Just over a week after I sent out the letter, we endured a very serious loss here in Monterrey. Pastor Julio Montes and his dear wife were taken to the presence of our Lord in an automobile accident. Pastor Montes was the pastor of Genezareth Baptist Church and the rector of the University with which we work. We have grieved this loss with the family and church.

Pastor Julio was to be one of the leaders of the trip to Israel. The trip leader Jonathan Latham along with the leadership of the church have decided that it would be best to reschedule the trip. The decision was that the trip will happen, but will be delayed until the end of 2015. This will open the trip to many more people as it gives more time to raise the finances for the trip. After talking with the trip organizers if we have our sign-up complete by June, it will additionally save us about 8% on the cost of the trip. This will also give us time to have monthly meetings to give background information on the areas we will be visiting so that the trip will have a greater impact.

I am very thankful for the response of many who have already graciously given towards this trip. These funds are being kept in a special account so that my trip can be paid for at the 6 month mark to save the 8%! To date about 50% of the funds needed for the trip have been given. In order to go I still lack \$1,700 in order to go.

Thank you for your prayers and support. We know that God has a special plan for this upcoming ministry trip. If you would be able to assist with this trip, funds can be sent through OREMUNDO Ministries, for Russell Raymer's Israel trip.

In Christ's work,

Russell Raymer
