*May – June 2015*

Dear Friends in Christ,

The older we get, the more we wish to do, but we find time goes by so fast. We have been serving as missionaries for almost fifty years, but it only seems like yesterday, we arrived on the field for the first time. We count it an honor and privilege to have served God all these years.

We continue to service missionaries and national pastors that are working with Spanish-speaking people around the world. We also are working with many Spanish-speaking churches in the United States; from Tacoma, Washington to Naugatuck, Connecticut and from North Dakota to South Texas. As you know, Spanish speaking people are the largest minority group in America. One person said; "Maybe God brought them here for us to reach them with the Gospel."

Please pray that someday God will allow us to take mission groups back into Mexico. There continues to be a great need in Mexican churches, but the fear of kidnapping and violence has stopped most of our trips. Some very small groups fly into and out of Monterrey, Mexico. These small trips are controlled by (UCLA) the Christian University in Monterrey, Mexico.

God has graciously helped us with health matters, especially the ones that come from aging. No joke, we are older and slower....Eddie turns 71 this month. Our heart wants to accomplish a lot fast, but our physical bodies prefer a slower pace :o) We wish to remain faithful to what He has called us to do, until He takes us home or comes after us.

Dianna obtained a good health report this month. Eddie is having oral surgery due to a broken tooth. God will see us through our periods of needs and trials. He has never failed us yet!

We appreciate your love, concern, prayers and financial help. We are indebted to you! Some of you have supported us for many years. We appreciate and are thankful to each and every person that God has used to help us. My friend, living a missionary's life is very exciting and rewarding. We would not change anything God has set before us. He is always faithful and has always supplied our needs.

Your faithfulness and dedication to spreading the Gospel of Jesus Christ around the world is to be commended! May many others learn about His Saving Grace. What a wonderful merciful God we serve! Oh What a Savior!!!

Yours in Christ,

Eddie and Dianna Woodfield
