

MERRY CHRISTMAS

2016

Dear Folks;

Another wonderful year has passed. So many people have sent special cards and greetings. Our hearts are very thankful, this has given us encouragement. We are truly blessed to have so many kind and thoughtful friends.

This has been a year of health problems for Eddie, but God has provided and supplied our needs. Dianna entered into the 7th decade of her life. Age and health has slowed us, but not stopped us. We continue to work daily here at the ministry.

God continues to bless and expand the OREMUNDO ministry. Our new courses and online availability have been blessed and given us many new contacts. It is exciting to have a small part in preparing people for the ministry.

This year our two daughters, LeAnn and Connie will be spending Christmas with us. We thank the Lord for this time together. We are a very close family and we love are children and grandchildren. Both son in-laws are wonderful husbands and fathers. We are blessed!!!

Thanks to each and every one of you!!!

Eddie and Dianna Woodfield
