

January-February 2016

Dear Folks,

Another year to serve our Lord and a chance to make our life count for Him! We are truly grateful for the things, which He has allowed us to accomplish in the past, but we are excited about what He will allow us to do for Him in the presence and future. Our heart throb is; Galatians 6:9 "And let us not be weary in well doing, for in due season we shall reap, if we faint not." We have a heart's desire to remain faithful to our Lord. What an honor and privilege to serve Him. I Timothy 1:12 is one of my favorite verses.

We are confronted by great challenges, and thrilled to see great achievements. The Professors at UCLA University in Monterrey, Mexico have created a complete series of new courses for ministry. There are four (4) blocks of five (5) courses each. Each block take about ten (10) weeks to complete. We now have Blocks 1 and 3 completed and available for ordering. Blocks 2 and 4 are completed and we are trying to make them available (we hope) by May 1st.

Our new courses are offered to individuals online. The university (UCLA in Monterrey, Mexico) also offers some of their university courses online for individual studies. This is a tremendous opportunity for Spanish-speaking people around the world. This is using modern tech-knowledge to spread the Gospel and teach the Spanish Bible world-wide. Please pray for the ministry, as they continue to expand their outreach to Glorify God. We are receiving several new contacts.

We are grateful for the small part the Lord allows us to have in this great opportunity. We very much appreciate your love, concern, prayers and financial support of the Woodfield family. Many faithful servants continue to work together to reach and teach people about our Lord until He return!

Thanks and we are indebted to ALL OF YOU!!!

Eddie and Dianna Woodfield
