March-April 2014

Dear Folks,

We are pretty much settled into our new location, but still have some boxes to unpack. While on the field in Europe, we moved about every 3 1/2 years to start at a different work. We never seemed to have accumulated very many things. But, after being in our last location for almost 18 years, we accumulated I think about half of a Wal-Mart store. But I would like to say, Dianna has done an excellent job of turning a rental house into a home. Someday, I will explain to you how this rental house was a miracle of God for us.

Our oldest daughter, LeAnn and her son Shawn, both have recovered well from their surgery. We will be traveling to Pennsylvania to see Shawn graduate on June 6<sup>th</sup>. Shawn enlisted into the United States Air Force last year. He departs for training after his graduation. He is excited and we are excited for him.

We are hoping that Connie (our youngest daughter) and her family will be able to come and visit with us a few days this summer. She still lives in the Houston area. Some folks think that is near-by.....it is a seven (7) hour drive from our place on the border in South Texas.

We continue to assist Missionaries and National Pastors using our Bible DVD courses. We are working with a Missionary that is opening another Bible School in Porto Rico. He is Porto Rican and has a real burden for his people.

I receive inquires about our "Online Courses", which individuals may study in the privacy of their own homes. Some areas have closed their Bible Schools, because of the violence in Mexico. By having a computer and access to the internet from their home works well for them.

I am informed the Pastoral Conferences are being well attended. The missionaries in UCLA fly a private plane to these meetings. We are asking folks to pray about assisting with the cost of aviation fuel. We are aware that all may not be able to give financially, but all could pray.

Thanks for your love, concern, and prayers. We also wish to thank each and every person that helps financially with this ministry. You are very much appreciated and, we are indebted to you. As a team, may our fruit be shared with you. We all shall stand before our Lord.

Thanks so much!!!

Eddie and Dianna Woodfield
