OREMUNDO MINISTRIES

REACHING THE SPANISH-SPEAKING WORLD

August-September, 2017

Dear Folks,

This past July, we had a wonderful reunion with former members of Bethel Baptist Church of Rota, Spain. We met at Faith Baptist Church in Pensacola, Florida. Bethel was our first ministry as missionaries.

Bethel is still open and reaching people for our Lord. Over these years there have been many souls saved and baptized at this church. Several have been called into fulltime service and are serving around the world. Bethel Baptist Church has been a great influence in so many lives over these years. Bethel has had some great pastors and terrific members reaching hundreds for Christ.

On our way home, we stopped to see family in Houston, Texas. While stopped at a red-light in Houston, a large pick-up truck (tank) rear-ended us. It totaled our car, and Dianna and I suffered physical injuries. Dianna has been released by the doctor, but Eddie is still receiving treatments from a Pain Doctor. We would appreciate your prayers for our physical recovery and insurance settlement.

OREMUNDO ministry has been very busy supplying new courses to missionaries. We are serving new and former missionaries wanting to use our materials. We were able to help a couple of new schools in South America that wanted to open using our Bible study materials.

Our new courses and "Online Courses" are receiving great praise and request. We are experiencing some older schools switching from the older courses to the newer ones. The missionaries at UCLA in Monterrey, Mexico have done a great job creating these new courses. They are to be commended!

Thanks for your love, prayers, and financial support over these 45 years.
