Dear Folks,

We wish to thank the Lord for the opportunity to serve Him these 48 years as Missionaries. It has been an honor and privilege to be used by God! There has been hard times and great times, but both were used to grow and mature. Never did I ever think God would honor us with this calling.

A pastor friend was visiting in Chicago recently. He met a local Pastor and was visiting. He asked how he got saved. The Chicago Pastor told him he was saved several years ago in Rota, Spain. He then told my friend it was I that lead him to the Lord. It is truly a small world!

The ministry here at OREMUNDO continues to grow. We have had the privilege and honor of working here for almost 25 years. We are amazed how God develops things and puts them together. Our Bible courses have greatly expanded and are offered in many countries. They are being used to train future leadership.

We wish to express our sincere appreciation for your love, prayers and encouragement. We have always realized that spreading the Gospel of Jesus Christ was a TEAM effort. Without your financial assistant and providing Spiritual leadership, what would we do?

Thanks for your love, concern and encouragement towards us! You are loved and appreciated!!!
